

# Cushions

Alexander Rose cushions come in 2 materials; Polyester or Olefin. Our cushions come with ties or straps for securing to the furniture. The fabric is resistant to shrinking and staining.

## Polyester Maintenance

---

Brush off any loose dirt and moisten the fabric thoroughly with water. Spray Fabric Cleaner onto the cushion and leave to soak for 5-10 minutes. Remove excess Fabric Cleaner with a microfiber cloth and rinse with clean water and allow to dry.

We then recommend applying our Fabric Shield to make the treated fabric water repellent.

## Olefin Maintenance

---

Brush off any loose dirt and moisten the fabric thoroughly with water. Spray Fabric Cleaner onto the cushion and leave to soak for 5-10 minutes. Remove excess Fabric Cleaner with a microfiber cloth and rinse with clean water and allow to dry.

We then recommend applying our Fabric Shield to make the treated fabric water repellent.
