

Hazelmere

Hazelmere hand-woven furniture offers a wide variety of sets in a combination of fashionable colours, to grace your garden all year round.

This beautifully crafted furniture harmonises perfectly with traditional country gardens and conservatories. Hazelmere is the perfect furniture to invite the family over for a delicious cream tea!

The lightweight aluminium frames are powder coated prior to weaving in a basket style pattern, using a 4mm round profile, with a finely brushed surface texture. There is a choice of Natural or Grey wicker, with cushions in Pistachio or Dusk.

When it comes to mixed materials, the ceramic effect tempered glass tops are certainly the icing on the cake!

Maintenance

We recommend that Hazelmere is cleaned at least once a year. It is important to use a non foaming cleaner on woven furniture, as a foaming product will leave residue in the gaps in between the weave which will then attract dirt.

A pressure hose on a gentle wide spray setting can also be used to clean your weave.

Our Hazelmere products come with cushions in either Pistachio or Dusk, and are made from Polyester.

Cushions can be cleaned with our Fabric Cleaner and a microfibre cloth. Once dried we recommend applying a layer of our Fabric Protector. Store the cushions in a dry place when not in use.
