

Monte Carlo

The Monte Carlo collection includes a broad range of items, from armchairs to sunbeds and modular sofas, and features some more unique items too, such as a hanging chair and relax lounger.

Manufactured at our factory in Cebu, Philippines, and handwoven by our in-house highly skilled weavers.

Maintenance

We recommend that Monte Carlo is cleaned at least once a year. It is important to use a non foaming cleaner on woven furniture, as a foaming product will leave residue in the gaps in between the weave which will then attract dirt. A pressure hose on a gentle wide spray setting can also be used to clean your weave.

Our woven products come with cushions in either Charcoal or Oatmeal, and are made from 190gsm 100% Olefin. This is a water and stain resistant outdoor fabric.

Cushions can be cleaned with our Fabric Cleaner and a microfibre cloth. Once dried we recommend applying a layer of our Fabric Protector.

Store the cushions in a dry place when not in use. Spare glass, cushions and footcaps can be ordered at: parts.alexander-rose.co.uk.
